# Goodwood Race Circuit

## Project Information

- **MJ ABBOTT**
- **RUNWAY PROJECT**
- **VALUE: £100,000**
- **FEBRUARY 2017**

A J Morris were commissioned to carry out Earthworks of a 150,000 m<sup>2</sup> site at Goodwood Race Circuit.

Key tasks were to carry out site clearance & preparation so Earthworks could commence for the drain and runway.

Tasks included;

- Clear site of vegetation and turf
- Removal of topsoil
- Bulk excavation

- Seeding

A J Morris worked closely with Goodwood Race Circuit & Aerodrome ensuring that all reusable materials were stacked and stored in line with the engineers specifications and with Goodwood's guidance due to height restrictions enforced by the race circuit.
